# MONSTER TRUCK

DATSUN

### IMPORTANT - READ THIS FIRST!

- ★ Study assembly drawings carefully before starting.
- ★ Follow step number sequence in each assembly drawing.
- ★ Scrape paint and plating from contact areas to be joined.
- ★ Only use cement made for styrene plastic.
- ★ Check fit before cementing parts together.
- ★ Use cement sparingly.
- ★ Cement all parts except where noted.
- ★ Painting your model is optional.
- ★ Use standard colors where noted.
- ★ Allow paint to dry completely before handling.
